# Salon Chairman's Report

## 1st FIP GRAND INTERNATIONAL PRINT SALON

It was indeed a pleasure to spearhead a Print Salon which created many a milestones. First and foremost it was a global 5 section print salon where entrants did not have to bear the entry fee, even the postage of awards and certificates were on complimentary basis and in fact the awards and certificates have been already posted by registered courier.

The second milestone was the number of entries received by us . 4500 + prints wow. The entire Salon Committee was over the moon to witness the confidence bestowed on us by the entrants. Last but not the least was the manner in which the Salon Secretary and Salon Coordinator conducted the entire show . The jury members deserve special mention as no procedural faux pass was encountered as Mr Mrinal Bandyopadhyaya and his team were always around to help the jury members.

FIP is acutely aware of its commitment to Indian Photography and many innovative Salons are on the anvil.

## Report on 1st FIP Grand International Print Salon 2018

It is a great pleasure for the Federation of Indian Photography to host its 1st FIP Grand International Print Salon 2018. The Judging was held at Hotel Avenue Club, Kolkata on 12th and 13th July, 2018. We have received 4597 entries from 367 authors. All our coveted judges have donated their time to make the event successful. The prints were viewed in a brightly lit room. The selection of the images was done by all the Judges without interference or influence by the organizing committee. Our web master Mrinal Bandyopadhyay and his dedicated team have completed the work very meticulously. 120 awards were awarded to the best of the entries over the 5 sections of this Print Salon. The result has also been published much before the pre announced date. FIP has sent the Printed Certificates to the awardees by registered post well before the stipulated date i.e. 30th Sept.

I am grateful to the organizers, Salon Chairman Dr. B K Sinha and Coordinator Mr. Sayan Sarkar for their efforts behind the systematically conducted event with absolute precision. I greatly appreciate all the jury members for their commitment and patience during the judging. I am also thankful to the hotel management and staff for the excellent hospitality. We also had the opportunity to interact with two of the photographers who came especially to learn about Salon culture.

I trust FIP will continue to fulfil its mission of promoting photographic art.
