## Salon Chairperson

This is the 3rd year running for the FIP's prestigious event. We had the top brass of FIAP as the jury members and I am indeed thankful to them for their dedication to serve the photographic fraternity of the world. Beating the Covid 2019 more than 400 participants shared their wonderful images and the Salon Statistics are printed elsewhere in the PDF Catalogue with more details. While I congratulate the award winners and all the successful entrants, I also share the same feelings with all the entrants who missed the boat. Unfortunately we have not been able to dispatch the awards yet due to Post Office blues. All the packets are ready for dispatch and once the Post office at Patna starts accepting the packets within days the awards will be with the winners. Some of the wonderful images are published in the PDF Catalogue. And we look forward to your participation in our next Salon.

Thanking you

Barun Sinha, MFIAP, ARPS, ESFIAP, Hon FIP, Hon. FIP N

## Salon Secretary

It was indeed an honour for me to serve the global photographic fraternity in general and FIP in particular as the Salon Secretary of this important event of FIP calendar. Organising a digital Salon on global scale is always challenging but I must share that I thoroughly enjoyed the challenge in the company of Salon Chairperson Dr Sinha, Web Master Mr Mrinal Bandyopadhyaya and FIP treasurer Mr Suman Saha. Often we shared our work which made my job much easier and enjoyable.

I do realize the unfulfilled task of dispatching the awards which are all packed up and stacked in FIP office and waiting for Covid reprieve. I thank FIP and FIAP for providing all the logistics and I am also grateful to over 400 participants from across the globe to have shown confidence in our Salon. My special thanks and gratitude to the honorable Jury members for sparing their valuable time and efforts. We remain committed to hassle free Salon Participation for all. Long live FIP / FIAP / GPU.

He often creates diaporamas, sometimes accompanied by his own music and likes landscape photography, portrait, and photojournalism. In the meantime (2007), FIAP granted him also the distinction of ESFIAP followed by the HonEFIAP distinction (2012) as recognition to his contribution to FIAP and Photography. In 2011 he was honored for his participation and involvement in photography by Sille Sanat Sarayi in Konya (Turkey), as the best photographer of the world for that year. Different photographic Associations or Federations conferred him as a mark of respect for his services in Photography their Honorary Life Membership or Fellowship, among them the Bangladesh Photographic Society (2013), the Foto Club Buenos Aires (2013), the Federation Argentina de Fotografia (2013) the Federation of Indian Photography (2014), the PESGSPC (2015), the Photographic Association of Dum Dum (2017) and the ICS International (USA) (2018).
