Message from Salon Chairman

The Federation of Indian Photography is constantly working for the betterment, furtherance, advancement and development of Photography in India and is also expanding globally. This 4th FIP Grand International Print Salon, 2021 is another milestone in this direction. Digital advancement in photography has done wonders. It gives us technological opportunities that we could have only wished for in the earlier days of film photography and it has made it possible to take the creativity to an almost limitless vista. Digital files are nice and easy to share on various platforms instantaneously, until they become history after some other image pops above yours within hours. On the other hand, prints are tangibles, the real thing which one can enjoy, holding them in hands or seeing them on the walls. Photo prints bring those nostalgic moments back into our lives, being palpable and easily accessible. When images are printed and are on display, one can see the beautiful images everyday ! Although our lives are becoming more and more online, we still exist in a tangible world and most of our important and immediate experiences happen in physical space. This gives printed photographs a more real nature. Printing as a medium is one of the most meaningful ways that one can enjoy photography. Perfect print making also requires the digital understanding & excellence and only then the learning of printing process can be done. One can fully appreciate the quality, contrast, saturation of the image by taking the print in hand. With these objectives, the print salons are organized. It has been a honor for me to Chair this 4th International Print Salon. We received a total of 1410 prints in four sections of the Salon from 108 entrants. Due to the possibilities of delays in Postal deliveries of print packets due to Covid-19, there has been low participation from foreign countries. We are most grateful to the participants, the FIAP, Dr. Barun Sinha, the jury members and the Web Master for their support and great work which made this Salon a success.

Happy clicking !

Sudhir Saxena ARPS, EFIAP/p, EFIP/g, EFIP/g-nat.
