GLOBAL PHOTOGRAPHIC UNION – GPU (former UPI)

Is a worldwide interactive organization for anyone interested in photography, be they casual, amateurs or professional photographers.

Founded in Goirle, The Netherlands, September 2007, GPU brings together professional and amateur enthusiasts of all ages and levels of achievement. As a nonprofit organization, its mission is to promote and enhance the art and science of photography in all its phases.

Individual members are offered a wide variety of activities: photo and digital competitions, photo exhibitions in different countries, study groups via mail, web site access, photo books, magazines, photo festivals, distinctions, titles, and a raft of other activities.

New Hope International Digital Salon 2021

Salon Chairperson

My warm welcome is extended to all photo friends of our country and abroad for their overwhelming response to make this event a grand success. We have received 2461 entries of 23 countries from 144 entrants. I would like to take this opportunity to express my sincere gratitude to the distinguished juries for spending their valuable time with us for selecting the entries. I am grateful to all of them for carrying out the job without any fuss. Our Webmaster needs special mention for his real grit in overcoming all hindrances with his master strokes.

I am indebted to all the national as well as international participants, without whose support this salon could not have been a successful one.

Hope to see you again in our next salon.

Regards

Sharmali Das
